Our approach to food is simple - wholesome ingredients, a dash of creativity and a dollop of love. All of our items are made from scratch with no fillers or preservatives. Our baked goods are made with real butter, cream and eggs. Our salad dressings are made with real extra virgin olive oil and hand-whisked on site. We also offer several options for **vegetarians and gluten-free*** customers including soups, salads, sconewiches, quiche, cookies, and brownies.

In short, we keep it simple, real and delicious. Enjoy!

***Note:** We are NOT a gluten-free kitchen. We wash all of our utensils and pans prior to baking our gluten-free scones and do not mix gluten and gluten-free products.
